The Cooper Union, since its founding in 1859 and in full compliance with the
Deed of Trust, has functioned strictly on
principles of merit, without discrimina-
tion on the basis of race, creed or sex.
In continued and contemporary sup-
port of this policy, it is imperative that
expanded opportunities at Cooper
Union for qualified minority members of
our society should apply not only to our
students, but also to our faculty, admin-
istration and trustees.
For such opportunities to be mean-
ningful, we pledge our best and ener-
getic efforts and regard this as an im-
portant matter of our mission and our
institutional policy.
We recognize that those efforts will
require procedures and programs
which actively seek to recruit and ob-
tain significant minority participation in
the full Cooper Union community.
Board of Trustees

Pursuant to Revenue Procedure 75-50
dated December 8, 1975, and Title IX
of the Education Amendments of 1972
(“Title IX”) and Part 86 of the U.S.
Department of Education regulations
promulgated to effectuate Title IX, The
Cooper Union for the Advancement of
Science and Art hereby gives notice of
its nondiscriminatory policy as to stu-
dents and employees.
Cooper Union is an equal opportunity
institution that admits students without
regard to disabling conditions. Cooper
Union makes reasonable accommoda-
tions to meet the needs of disabled stu-
dents on campus. A variety of supple-
mental services can be arranged.
Disabled students should contact the
Office of Student Services for assis-
tance.
Continuing its long-standing policy of
actively supporting equality of
opportunity for all persons, The Cooper
Union does not discriminate in
admission or access to its programs
and activities on the basis of race/color,
nation origin, religion/creed, disability,
age, marital status, sex, sexual
orientation or veteran’s status in the
administration of its admission,
employment and educational policies.
